

MEMORANDUM FOR: Director, Public Affairs *212*

FROM: Executive Assistant to the DDCI

Thanks for the attached. If you pass Item B on to Personnel, the DDCI would like you to do so with a word of caution. Often when former intelligence officers start running courses like this, they try to turn to the Agency to serve as a "lending library" and speakers bureau for their courses. We should be careful not to get drawn into that kind of syndrome.
